

Dussindale PTFA – we need you!

It's the time of year when our year 6's are leaving to go off to High School and start the next chapter of their lives.... Very exciting for them but for the PTFA, this leaves a gap in our committee as the year 6 parents also leave... I am writing to you to ask if you'd be interested in joining the Dussindale PTFA and to continue the amazing work that we do for the school

Why should I join?

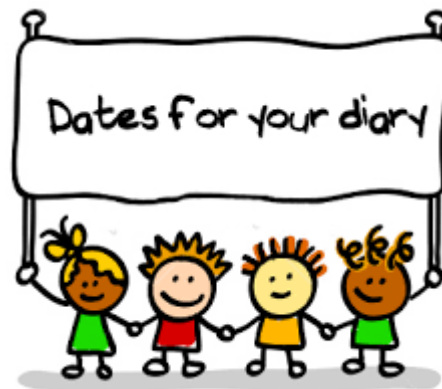

- **Help us to make a difference** – we hold several events throughout the year, and it can be so rewarding to see what our efforts can achieve – in the past we've raised funds for the library, and outdoor music trail and the pond and nature area – all of which your child will benefit from in their time at the school
- **Become a role model** – when your child notices you taking an interest in their school life, it shows how important you feel their education is – in turn they see you as a positive role model, volunteering your time to help others
- **Find out more about Dussindale Primary School** – you'll be in the position to find out more about the running of the school, and in turn you'll get to know the teachers better
- **Get experience, gain confidence & use your skills** – the PTFA is perfect for anyone who may have taken a career break to have children, and needs to gain confidence again – it's an informal way to use your skills and use your talents to help with fundraising
- **HAVE FUN!!** – it can be great fun helping and organising the events, but we know the importance of downtime as well – we try go out 2 or 3 times in the year, so we can get together without children or responsibility and we can just have a nice relaxing time getting to know each other

Volunteers!
