raising standards and safeguarding children

Sport

Congratulations to the Key Stage 2 children who represented Dussindale in the Cross Country partnership event. We are proud of your participation where you were a credit to the school. We look forward to hearing how Jonathan Crowle, Finn Shannon, Benjamin Loveday, Leo Smith, Charlotte Pernet and Kyla Langan get on in the Norfolk School Games Final in February.

Dear Parents and Carers,

Thank you to all the Parents and Carers who have recently attended our 'Open Classroom' sessions and 'Parent Teacher Consultations'. If you haven't managed to attend yet, we will be in touch shortly to arrange a mutually convenient time. In the meantime, please don't forget to check the diary dates as there is a lot happening.

Learning

This term we are focusing on responsibility. Through stories, visual stimulus and discussions we are thinking about how we are responsible for our learning and actions. Monday 13th November was World Kindness day and the start of Anti-bullying week, so we introduced children to the acrostic THINK before you speak:

- T = Is it true?
- H = Is it helpful?
- I = Is it inspiring?
- N = Is it necessary?
- K = Is it kind?

The children will be putting 'THINK' into practice over the forthcoming weeks.

Children In Need

We are delighted that the School Council have arranged for Dussindale pupils to support 'Children in Need' on Friday 17th November. For a £1 donation children are invited to come to school dressed in something spotty! Also there is a special tuck shop that morning where children from Years 1 to 6 can buy a bacon roll, pizza, sausage roll or Children in Need cup cake for 50p, with Edward and Blake donating 10% to this good cause. Finally children also have the opportunity to donate any old one pound coins as every class competes to see who can collect the most.

Office Opening Times

Can we please remind parents about the office opening times? The office is open to enquiries from 8.30 - 10 am and 2.30 - 3.30 pm, Monday to Friday. If you have an urgent enquiry please use your child's contact book or phone the school office and leave a message on the answer phone so a member of staff can call you back. If you are delivering a water bottle or PE kit please leave it in the entrance lobby clearly named.

Sweets

Can we please remind parents that children should not bring sweets, bubble gum or chewing gum into school? We would be grateful for your support.
