

PURPOSE

The purpose of Dussindale Primary School's Child Protection Policy is to ensure a caring, positive, safe and stimulating environment is provided which promotes the social, physical and moral development of the individual child.

This policy should be read in conjunction with Keeping Children Safe in Education 2016, and any supplementary guidance in addition to Working Together to Safeguard Children, 2015.

The aims of this policy are:

- ❑ To support a child's development in ways that will foster security, confidence and independence.
- ❑ To raise the awareness of both teaching and support staff of the need to safeguard children and of their responsibilities in identifying and reporting possible cases of abuse.
- ❑ To provide a systematic means of monitoring children known or thought to be at risk of harm.
- ❑ To emphasise the need for good levels of communication between all members of staff.
- ❑ To develop a structured procedure within the Academy which will be followed in cases of suspected abuse.
- ❑ To develop and promote effective working relationships with other agencies, especially the Police and Social Services.
- ❑ To ensure that all adults who have access to children have been checked as to their suitability.

COMMITMENT

Each student's welfare is of paramount importance. We recognise that some children may be especially vulnerable to abuse. We also recognise that children who are abused or neglected may find it difficult to develop a sense of self-worth and to view the world in a positive way and whilst at Dussindale Primary School, their behaviour may be challenging. We will always take a considered and sensitive approach in order that we can support all our students.

Safeguarding relates to:

- ❑ Staff Conduct
- ❑ Curriculum
- ❑ Managing allegations against staff
- ❑ Attendance

- ❑ Safer recruitment and selection
- ❑ Whistle blowing
- ❑ Health and safety
- ❑ Behaviour management
- ❑ Managing building design
- ❑ Child Protection
- ❑ Educational visits
- ❑ E-Safety
- ❑ Anti-Bullying

Note: This list is not exhaustive.

We recognise that abuse and neglect can result in underachievement. We strive to ensure that all our children make good educational progress.

Child abuse can take a variety of forms:

- **Abuse:** a form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. They may be abused by an adult or adults or another child or children.
- **Physical abuse involves:** hitting, slapping, kicking, misuse of medication, undue restraint, shaking throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.
- **Sexual abuse involves:** forcing or enticing a child into sexual activities whether or not the child is aware of what is happening. This includes non-contact situations such as viewing child abuse images.
- **Emotional abuse involves:** persistent emotional ill treatment of children, such as frightening them, or putting them in situations of danger. It is also an abuse to convey to children the feeling they are worthless or unloved.
- **Neglect:** and acts of omission are also a form of abuse. This could involve failure to provide an adequate level of care physically and/or psychologically which is likely to result in serious impairment of health and/or development (e.g. food, warmth and failure to access medical care or services).
- **Child Sexual Exploitation (CSE):** Child sexual exploitation involves exploitative situations, contexts and relationships where young people receive something (for example food, accommodation, drugs, alcohol, gifts, money or in some cases simply affection) as a result of engaging in sexual activities. Sexual exploitation can take many forms ranging from the seemingly 'consensual' relationship where sex is exchanged for affection or gifts, to serious organised crime by gangs and groups.
- **Female Genital Mutilation (FGM):** professionals in all agencies, and individuals and groups in relevant communities, need to be alert to the possibility of a girl being at risk of FGM, or already having suffered FGM. If a teacher, in the course of their work in the profession, discovers that an act of female genital mutilation (FGM) appears to have been carried out on a girl under the age of 18, the teacher must report this to the police. **This is a mandatory reporting duty**

raising standards and safeguarding children

- **Forced marriage:** children may face physical and sexual violence (including threats of) or emotional pressure to marry someone against their will, e.g. made to feel that they will bring shame on their family. This is illegal in England and Wales including taking someone overseas to get married.
- **Child on child sexual violence and/or harassment:** The DfE guidance issued in December 2017 states that for the purpose of sexual violence in the context of a child on child, offences under the Sexual Offences Act 2003 include rape, assault by penetration and sexual assault. Harassment is unwanted conduct of a sexual nature (online and offline) which is likely to violate a child's dignity and/or make them feel intimidated, degraded, humiliated and/or create a hostile, offensive or sexualised environment. Allegations should be managed in line with the DfE guidance.

SAFEGUARDING INFORMATION FOR STUDENTS

All pupils at Dussindale Primary School are aware they can talk to any member of staff they choose. Dussindale Primary School is committed to ensuring that pupils are aware of behaviour towards them that is not acceptable and how they can keep themselves safe. Using the NSPCC guidance, we inform pupils of whom they might talk to, both in and out of school, their right to be listened to and heard and what steps can be taken to protect them from harm. Lessons are taught to pupils that are designed to help keep them safe.

SUPPORTING CHILDREN

Dussindale Primary School recognises that a child who is abused or witnessed violence may find it difficult to develop and maintain a sense of self-worth. We recognise that a child in these circumstances may feel helpless and humiliated. We recognise that a child may feel self-blame.

Dussindale Primary School recognises that it may provide the only stability in the lives of children who have been abused or who are at risk of harm.

Together on a voyage of discovery...
raising standards and safeguarding children

Dussindale Primary School recognises that research shows that the behaviour of a child in these circumstances may range from that which is perceived to be normal, to aggressive or withdrawn.

Dussindale Primary School will support all students by:

- ❑ Encouraging self-esteem and self-assertiveness whilst not condoning aggression or bullying.
- ❑ Promoting a caring, safe and positive environment within the school
- ❑ Liaising and working together with all other support services and those agencies involved in the safeguarding of children.
- ❑ Notifying Children's Social Care as soon as there is a significant concern.

CONFIDENTIALITY

Dussindale Primary School recognises that all matters relating to Safeguarding and Child Protection are confidential.

The Child DSL/ CPO will only disclose information about a pupil to other members of staff on a need to know basis only.

All staff must be aware that they have a professional responsibility to share information with other agencies in order to safeguard children.

All staff must be aware that they cannot promise a child to keep secrets.

SUPPORTING STAFF

Dussindale Primary School recognises that staff working with a child who has suffered harm, or appears to be likely to suffer harm, may find the situation stressful and upsetting.

Dussindale Primary School will support such staff by providing an opportunity to talk through their anxieties with the Child Protection Officer or Headteacher and to seek further support as appropriate.

ALLEGATIONS AGAINST STAFF

It is possible that a student may make an allegation against a member of staff.

If such an allegation is made, the member of staff receiving the allegation will immediately inform the Headteacher.

The Headteacher, on all such occasions, will discuss the content of all allegations with the Designated Officer (DO) in the Safeguarding and Service Standards Unit.

If the allegation made to a member of staff concerns the Headteacher, the designated teacher will immediately inform the Chair of Governors who will consult with the Designated Officer (DO) in the Safeguarding and Service Standards Unit.

Dussindale Primary School will follow the The Yare Trust's procedures for Allegations of Abuse against Staff, a copy of which is available on the Trust website.

PARTNERSHIP WITH PARENTS

Dussindale Primary School shares a purpose with parents to educate and keep children safe from harm and to have their welfare promoted. Parents are made aware of who to contact if they have concerns regarding the Safeguarding of their or any other child.

We are committed to working with parents positively, openly and honestly. We respect parents' rights to privacy and confidentiality and will not share sensitive information unless we have permission or it is necessary to do so in order to protect a child.

We will share with parents any concerns we may have about their child unless to do so may place a child at risk of harm.

We encourage parents to discuss any concerns they may have with Mrs Sally Bailey, the Nominated Person for Child Protection. Parents are made aware of our policy via the School website and newsletters. Parents are also made aware that they can view this policy on request.

PARTNERSHIP WITH OTHERS

Dussindale Primary School recognises that it is essential to establish positive and effective working relationships with other agencies who are partners in the Local Safeguarding Children Board. There is a joint responsibility on all these agencies to share information to ensure the safeguarding of all children.

WHISTLEBLOWING

Dussindale Primary School recognises that children cannot be expected to raise concerns in an environment where staff fail to do so.

All staff should be aware of their duty to raise concerns, where they exist, about the attitude or actions of colleagues. There is a separate Whistle Blowing Policy for this purpose.

PHYSICAL INTERVENTION

Staff must only ever use physical intervention of a minimum force, as a last resort, if a pupil or adult is at risk of harm.

Dussindale Primary School understands that physical intervention of a nature which causes injury or distress to a child may be considered under child protection or disciplinary procedures.

PREVENTION

Dussindale Primary School recognises that it plays a significant part in the prevention of harm to pupils by providing them with good lines of communication with trusted adults, supportive friends and an ethos of protection.

Dussindale Primary School will therefore:

- Establish and maintain an ethos where children feel secure and are encouraged to talk and are always listened to.

Together on a voyage of discovery...
raising standards and safeguarding children

- Ensure that all children know where there is an adult in the School whom they can approach if they are worried or in difficulty.
- Include in the curriculum opportunities for PSCHÉ which equip children with the skills they need to stay safe from harm and to know to whom they should turn for help.

This policy should be read in conjunction with all other school policies.
