

Year 2 News

Dussindale Primary School

Welcome back Year 2!

Summer Term 2

Miss Wiltshire, Mrs Smith, Miss Walker,
Mrs Bamford and Mrs Burrage

We hope you all had a lovely half term break. The children definitely deserved the break after working so hard to complete their special booklets last term. We are very proud of them all.

This half term, we will be beginning our next Talk for Writing unit based on instructions for 'How to trap a dragon'. We discovered a mystery box last term with items in which led us to believe there could be a mystery creature... We can't wait to find out more this term!

In Maths we are excited to learn about capacity and volume. We will be using liters and milliliters to measure. Also, we will be looking at temperature in degrees Celsius.

As part of our Science learning, we will be planting seeds and then finding out where they best grow. We have already made predictions and we think the seeds in the fridge will not grow.

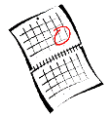

Our theme for this term is courage. In PSHE we will be continuing our learning about relationships, which will enable us to recognise different types of teasing and bullying, and understand that these are wrong and unacceptable.

We hope you are as excited for this half term as we are!

Please remember to regularly check the Year 2 **Google Classroom** as this will be our main way of communicating with you.

Please remember to look at the Year 2 homework grid on the Google Classroom. We would love to see the children's home learning so please upload their super learning.

Remember to email the class if you have any queries, or if need to let us know about changes of pick up etc.

Diary Dates

Wednesday 29th June – EYFS/ KS1 Sports Day
Friday 1st July – Java Class Virtual Assembly
Wednesday 6th July – Dinosaur Park Trip
