

# Summer 2 Homework Planner

You must complete your spellings, times table practice and at least one other piece of homework per week. You can tick them off when you're done! Homework should be completed by the Friday each week and either handed or emailed to your teacher, or uploaded onto the Google Classrooms post. Please note there will be no homework on Week 7 (the final week of the year!)

## Week 2

begins 13th June

Practise your spellings on Spelling Frame for at least 20 minutes.

Practise your times tables on TTR for at least 20 minutes.

Choose at least one of these activities:

- Create a poster to show the life cycle of an animal of your choice!
- Write a book review for a book of your choice.

## Week 3

begins 20th June

Practise your spellings on Spelling Frame for at least 20 minutes.

Practise your times tables on TTR for at least 20 minutes.

Choose at least one of these activities:

- Draw a picture with a reflection (there must be a mirror line - a bit like a butterfly!)
- Create a persuasive poster to convince someone to buy something.

## Week 4

begins 27th June

Practise your spellings on Spelling Frame for at least 20 minutes.

Practise your times tables on TTR for at least 20 minutes.

Choose at least one of these activities:

- Build a den outside and take a photo to show us!
- Write a short story - be as creative as you like! It can be funny, scary or an adventure!

## Week 5

begins 4th July

Practise your spellings on Spelling Frame for at least 20 minutes.

Practise your times tables on TTR for at least 20 minutes.

Choose at least one of these activities:

- Go on a hunt for as many  timetables as you can find around your area. Take photos to show us!
- Create a powerpoint presentation about something you like!

## Week 6

begins 11th July

Practise your spellings on Spelling Frame for at least 20 minutes.

Practise your times tables on TTR for at least 20 minutes.

Choose at least one of these activities:

- Make a tally of the number of different coloured cars that go past your house. Create a bar chart or pie chart to show this!
- Write or draw a picture about your favourite memory in Year 5!
