Dear Parents/Carers

### Spelling Frame

We are pleased to inform you that all children from Year 2 upwards have access to [www.Spellingframe.co.uk](http://www.Spellingframe.co.uk), a website that will help your child to practice and learn all of the National Curriculum spelling patterns and key words. This is a simple yet highly effective system as children are encouraged to break the words into syllables and practice them in a number of ways before being tested on them.

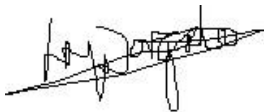

Your child's class teacher will send home a username and password in their yellow reading log book so that they can log on and access their focused lists. Teachers will be able to check your child's progress online and adjust their spelling lists accordingly. The children will be set a deadline by which they are expected to take the spelling test online. Spellingframe should work on all devices.

If you cannot access the internet at home, please let the class teacher know via the class email so alternative provision can be arranged.

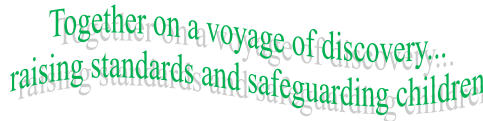

We would suggest that children practice their spellings regularly in short bursts. In our experience daily practice of 5 or 10 minutes is far more effective than a long session once a week. You may also find it useful to display the words at home where your child will see them every day.

We would suggest that the children also practice their spellings by writing them out as this helps to develop 'muscle memory' and the correct spellings are more likely to be remembered. They should then test themselves using the spelling frame website.

Yours sincerely

Mrs L M Norgate  
Executive Headteacher

Together on a voyage of discovery...  
raising standards and safeguarding children
