

We hope you had a lovely break. We have a very busy term ahead of us. As we are learning about magazine articles it would be great if you could occasionally include some child friendly magazines/newspapers into your daily reading. In maths, children will need lots of support understanding the difference between the denominator and numerator and ordering fractions. We were pleased with how many dojos we were able to give for homework last term and we are hoping to give out even more at the end of this term!

Ms Bingle and Miss Lee

What are we learning this term?

Here's a quick summary of some of the topics we will be covering this term.

Talk for writing: Magazine articles

Talk for Reading: Fireworks poem

Maths: Fractions

Science: What can light do?

Geography: What is the same and what is different about the places people live?

RE: Is forgiveness always possible for Christians?

Computing: Branching databases

Music: Creating compositions in response to animation

Art: Working with Shape and Colour

PSHE/RSE: Healthy Me

PE: REAL Dance and TAG Rugby.
