

FANTASTIC LEARNING

Year 1 could explain what is healthy and unhealthy.

In Reception the children have been exploring shapes in the sand and talking about the 2D shape imprints they left behind. They have also drawn pictures to show what gravity looks like.

Year 2 enjoyed tasting and preparing ingredients for their healthy wraps.

Year 1 and 3 explored different art techniques, including printing and collage.

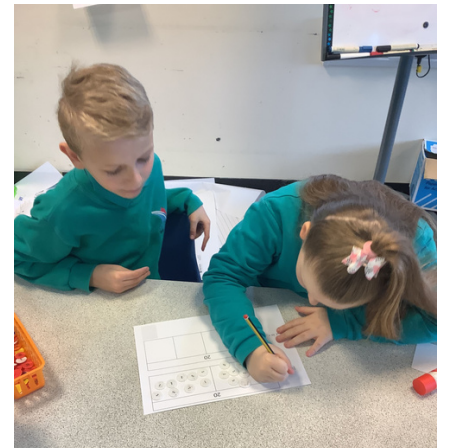

FANTASTIC LEARNING

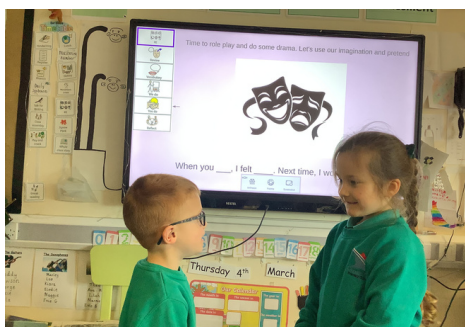

We had some very creative hair designs for Red Nose Day!

Year 3 learnt how to find fractions of amounts.

Year 5 observed chemical changes when mixing milk and white vinegar to make casein plastic.

Year 1 had a try at role play in their PSHE lessons.
