

# Week beginning 29.4.24

## Bank holiday Monday

Don't forget that next Monday is a bank holiday and as such school will be closed. Enjoy the long weekend and lets hope we get some lovely weather.

## Gardening

If you have any pots/seeds or soil that you no longer need at home we would love to take them off your hands. The children have really enjoyed planting their beans and would love to grow more in our garden.

## Computers

We have been lucky to be provided with Chrome books in our classrooms and the children are really enjoying using these. One thing we have noticed is that our children have not had much experience using a touch pad on a laptop if you have a computer at home they could practise this on that would be really helpful.

## Diary date reminders

## PE

PE continues to be on a Friday for Reception. As the weather gets warmer we may take our PE lessons outside. Please make sure that children are wearing suitable footwear for this. Can you also check that all PE kit is named as we get many unnamed black jumpers that are hard to return to the correct owner.

## Parent forum

Next week is the parent forum. This is a chance for you to share your experiences as a parent at Dussindale school and offer any ideas you may have for the school. These are valuable sessions and we welcome as many parents/carers as possible.
