Class news

Welcome back! We hope you had an enjoyable, albeit rather wet, half term? This final term is set to be a very exciting and busy one with lots happening.

The school theme this term is 'hopeful.' During class community time and assemblies, we will reflect upon what hope is and what our own hopes may be.

Our PSHE theme for this term is 'changing me' and considers how to cope positively with change, how we change through the life cycle of a human and the change we will make when we move to our new classes.

We are also very much looking forward to our school trip to Strangers Hall, our Sports Day and transition day.
