Digital Leader Meeting   18.10.24

Discussed:

-<u>Whole school assembly</u>: Digi-Leads are keen to lead a whole school assembly. ZW suggested one for Safer Internet Day in February which may be live or virtual. Ideas include:

- scavenger hunt to deliver the key message of SID
- Reminding pupils that Computer use in school is monitored by HT & DHT
- Informing pupils about what we should do if we are asked to meet someone online
- Cyberbullying poster challenge - Digi leads judge them - house token and prize (sweets) and display the best posters from EYFS, KS1 and LKS2, UKS2 alongside the Digi-Lead display board by hall

-<u>E-safety newsletter</u> - ZW asked digi-leads to consider ideas of content to include for Autumn Term 2 e-safety newsletter. Some suggestions included:

- Typing game - (dance mat typing)
- Games - safety online - minecraft (trading if know how) Roblox (polite messages only if know)
- Challenges -accessing the computing challenges in lessons

-<u>Digi-Lead roles for the year</u> - ZW reminded Digi-Leads of their jobs for the year which include:

- Helping ZW to run the Spring term KS1 Computing club - Weds lunchtimes
- Supporting pupils in Computing lessons in their own classes & taking care of resources
- Supporting KS1 pupils in their lessons
- Supporting ZW with the e-safety newsletter & Safer Internet Day

-<u>Resources </u>Digi-Leads are keen to purchase for the school:

- Mice - USB linked to chrome books
- cyberbullying/e-safety books for individual classes book nook
- More of the touch screen Chrome books /iPads
- Audiobooks

Miss Walker's actions:

1) Purchase the digital leader badges
2) Begin the e-safety newsletter for Autumn Term 2
3) Ask Mrs Bradley about an assembly for SID - digital /live?

4) Find some exercise books - deliver to classes for digi leads to keep notes and feedback meeting minutes
5) Print the agenda and questions for digi-lead notebooks
6) Look into resources requested by Digi-Leads

Digi-lead actions :

-Tell Miss Walker ideas for newsletter content

-Help support in class Computing lessons

-Gather ideas for Safer Internet Day assembly

-Feedback any e-safety issues which arise for classes

-plan ideas for Spring Term Computing club for KS1 pupils
