Geography Project (worth up to 20 Dojos)

Choose a North American country to create a double page spread (non-chronological report) about the following topics:

- ★ Physical features
- ★ Human features
- ★ Statistics about the country (population, average wage etc)
- ★ Culture (sports, food & drink, films, festivals, religions)

Your report needs to be hand written and include hand drawn pictures on an A3 piece of paper - these are available from school - ask your teacher.

Make sure your parent signs to confirm you have completed.
